An officer observed a vehicle enter a business parking lot at a low rate of speed and park. As the officer maintained visual observation of the vehicle, no one was ever observed exiting the vehicle. The business location is known for multiple vehicle burglaries recently. After approximately 10 minutes of observation with no one exiting the vehicle, the officer proceeded to make contact with the occupants inside the vehicle. The officer contacted the driver and sole occupant of the vehicle. The driver related he had just got off work from a business in the strip center and parked there to eat his lunch. The driver produced a valid North Carolina driver's license. A computer check of the driver showed 8 active San Antonio Municipal Court warrants. The driver was detained by the officer. The officer contacted a San Antonio City Marshal who responded to the location and took custody of the driver.
